10/April/21Conclusion style 1

Thy future calls thee with many fold sound,
To crescent honours splenders victories vast.

Waken, O slumbering mother and we, be charmed
Once were impress of the sovereign past.

Conclusion style 2

A ray through the whole can make the whole a room
bright. A support to the tree can make it stand
upright.

A word in the sentence can make the meaning
right.

Women empowerment is the solution for new India
inside.

Theme - Women

(2)

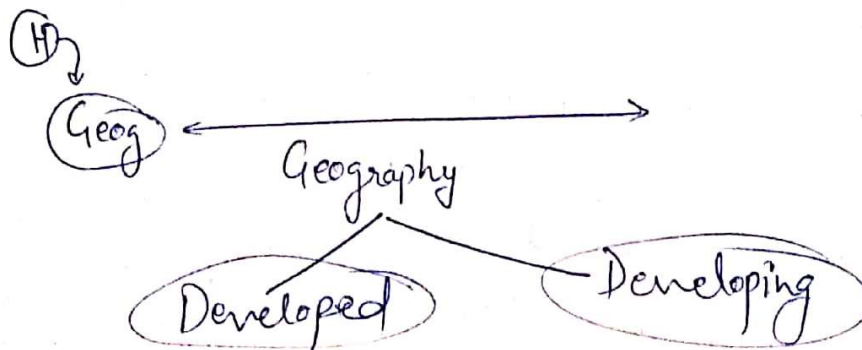

Linker

- There is no tool for development more effective than the empowerment of women.
- No struggle can ever succeed without women participating side by side with man.
- The home has, verily its foundation in the wife.

Women

Introduction

- "Yatra Naryastu Poojyante, ramante Tatra Devta"
- "Perhaps, Earth ~~has~~ witness to it!!" from being active participants in India's fight against colonialism (_____, _____, _____) to reforming the society since ages to contributing significantly in the field of science & technology. to allow miracles in agriculture women have proved to be flag bearers of development in the society.

(3)
→ The progress of society measured by a degree of progress women have achieved.

→ Men can never equal women in the spirit of selfless service with which nature has endowed her with selfless service.

Care/Economy → Limits their development

Glass Ceiling → the invisible barrier in society

+ Women in Management to start a "virtuous cycle" which leads to more equity and more opportunity.

→ Economic Survey on Women → One of the economic survey

↑ In the recent year called for "Collective - Self reflection" by the society on its preference for male children.

The Survey talked about a phenomena known as Meta son preference where in parents continue to have children until they have had the desired number of sons. which has resulted in an immense number of unwanted girls.
